"Family Tree" - page 1

Verse #1: Before the days of Jell-O
Lived a prehistoric fellow
Who loved a maid and courted her
Beneath the banyan tree.

And they had lots of children
And their children all had children
And they kept on having children until
One of them had me.

**CHORUS: We're a family and we're a tree.
Our roots go deep down in history
From my great, great granddaddy
Reaching up to me.
We're a green and growing family tree.**

Verse #2: My grandpa came from Russia,
My grandma came from Prussia.
They met in Nova Scotia,
Had my dad in Tennessee.

Then they moved to Yokahama
Where daddy met my mama,
Her dad's from Alabama
And her mom's part Cherokee.

**CHORUS: We're a family and we're a tree.
Our roots go deep down in history
From my great, great granddaddy
Reaching up to me.
We're a green and growing family tree.**

"Family Tree" - page 2

Verse #3: Well, one fine day I may go
To Tierra del Fuego,
Perhaps I'll meet my wife there and
We'll move to Timbuktu.

And our kid will be bilingual,
And though she may stay single,
She could of course co-mingle
With the king of Katmandu, 'cause

CHORUS: **We're a family and we're a tree.**
Our roots go deep down in history
From my great, great granddaddy
Reaching up to me.
We're a green and growing family tree.

Verse #4: The folks in Madagascar
Aren't the same as in Alaskar.
They have different foods, different moods and
Different colored skin.

You may have a different name but
Underneath we're much the same,
You're probably my cousin and
The whole world is our kin.

CHORUS: **We're a family and we're a tree.**
Our roots go deep down in history
From my great, great grandmother
Reaching up to me.
We're a green and growing family tree.
We're a green and growing family.

Beautiful, fabulous super-duper mud.

Verse #1: Big Teddy White, his clothes were mighty clean

Went swimming in a pool of mud, he made quite a scene.

He started with the back stroke, followed by the crawl.

You should have seen him swimming when he heard his father call!

I'm absolutely, positively wild about mud!

I can't go around it, I've got to go through it,

Beautiful, fabulous super-duper mud.

Verse #2: Julianna Root had shiny yellow boots.

Saw a pool of mud that she wanted to go through.

I can't go around it, I've got to go through it,

Verse #3: Little Rusty Knight, he was only three.

Was working in the mud on his favorite recipe.

With sticks and bugs and sour milk, it looked like brown ice cream.

When he started tasting it, he heard his mother scream.

I'm absolutely, positively wild about mud!

I can't go around it, I've got to go through it,

Beautiful, fabulous super-duper mud.

Verse #4: Now I would be the last to tell you what to do.

And when it comes to mud, you know it's really up to you.

So if you can't decide and you're sitting on the fence,

The most important thing to do is use your common sense.

Chorus: Mud, mud, I love mud.

I'm absolutely, positively wild about mud!

I can't go around it, I've got to go through it,

Beautiful, fabulous super-duper mud.

Always won the game**
