Chorus: What can one little person do? What can one little me or you do?
What can one little person do to help this world go round?
One can help another one and together we can get the job done.
What can one little person do to help this world?

Verse #1: Harriet Tubman was alone on the darkened road to freedom.
But she couldn't leave her people far behind.
Moses stretched out her hand. She led them to the Promised Land
'Cause she knew she had justice on her side. **Chorus**

Verse #2: When Sojourner Truth was freed, she got down on her knees.
Prayed to God to help her on her way.
With her voice and with her might, she fought for what was right
'Cause she knew she had justice on her side. **Chorus**

Verse #3: Music only

Verse #4: Rosa Parks sat on the bus, and the driver said, "You must
Move to the back of the bus or else be thrown in jail."
But she stayed and stood her ground. She brought that old law down
'Cause she knew she had justice on her side. **Chorus**

Verse #5: Brother Martin Luther King, he told the world, "I Have a Dream."
He led this country's fight for human rights.
We must fight for liberty until all of us are free
To know we have justice on our side.

Last What can one little person do?

Chorus: What can one little me or you do?

What can one little person do to help this world go round?

One can help another one

And together we can get the job done.

What can one little person do to help this world?

One can help another one

And together we can get the job done.

What can one little person do to help this world?
